

CONTI, TAKING GLASS TO A WHOLE NEW LEVEL.

"BEYOND THE ORDINARY RISES THE EXTRAORDINARY."

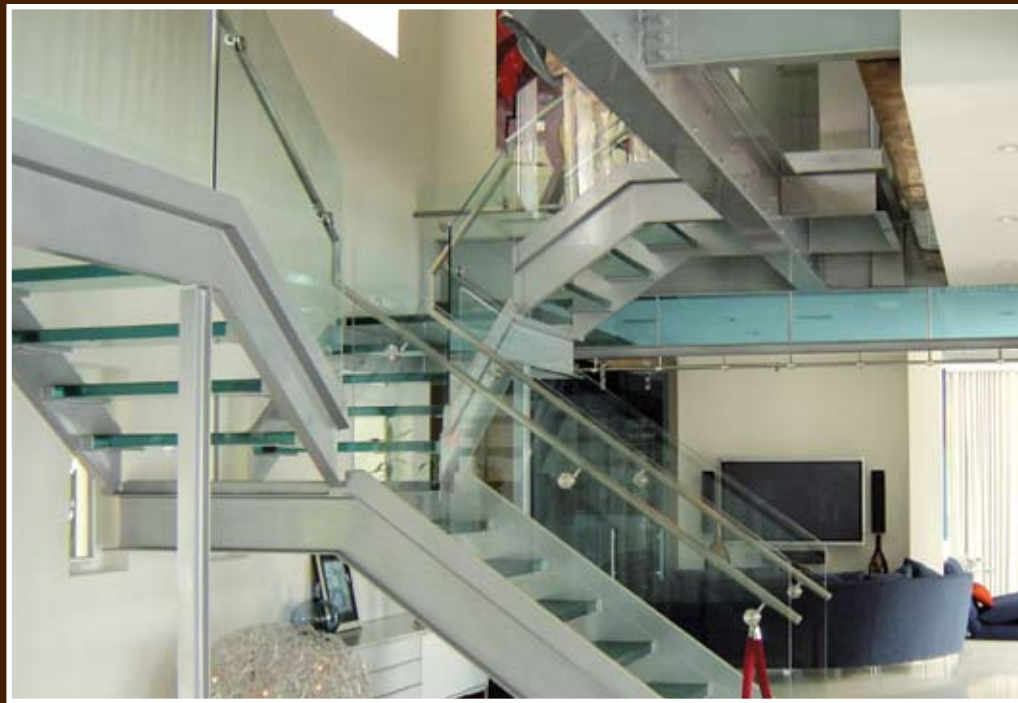

At Conti Glass Corporation, that's what we do. For the most sophisticated clientele who respect ingenuity and have an eye for the extraordinary.

Horacio R. Leal, C.E.O. of Conti Glass Corporation, brings a new dimension of luxury and technology to our custom work with staircases. From inception to installation we cover it all.

We specialize in custom glass staircases, glass elevators, glass railings, glass floors, glass canopies and beyond. We perform the complete steel and stainless steel fabrication for all our custom jobs.

Our success is based on leading by innovation and forward thinking. There is no limit to what our Masters of Design and Engineers can create based on your expectations and beyond. Our jobs are true works of art.

"Pictures are worth a thousand words." Please visit our website and browse at some of our many works of art.
